The Resource Day is provided so that you can have access to the specific support you need to do an exceptional job in your classes. In order for you to maximize the day, indicate in an e-mail the specific area(s) (listed above) in which you need help. The e-mail should go to Gina Green at ggreen@nyts.edu.

This is a day tailored for you. You tell us what you need and we will do our best to make sure you have that specific support. There is a Resource Day scheduled monthly through February of 2020. We suggest you plan to attend each month.

Also, if you just want to come and hang out, you are welcome to do that. This day is provided to inspire and encourage you. Sometimes it just helps to be around other persons who are on the same journey as you. Bring your laptops, books, papers, etc. and use this as a day of study. We will provide continental breakfast and lunch. Your name will be downstairs at the Security Desk.

YOU MUST RSVP to ggreen@nyts.edu.
Please state the type of help you are seeking. Your RSVP helps us prepare for Continental Breakfast and leave your name at the Security Desk.
